

about norman WILDER FOREST

Norman Wilder Forest was first opened to the public in September 2001. This beautiful natural resource consists of 185 protected acres of mature third growth mixed hardwood forest located on the steep slopes of Little Warrior Mountain. Trails wind through beautiful vistas and provide hikers with a leafy canopy of shade trees and stunning views of sheer rock walls. Bridges, steps and trails make this a most enjoyable moderate hike of approximately two to three miles. Parking is available both at the trail head of Hwy 176 and on Tau Rock Vinyard Road.

For information on guided hikes please contact the Pacolet Area Conservancy.

Also visit PAC's Shuford Memorial Wildlife Sanctuary hiking trails. Take Hwy 108 east toward Columbus and turn right on Shuford Road (near Bi-Lo and KFC). Trail head on the right.

(828) 859-5060

www.pacolet.org
email: info@pacolet.org

Daylight hours only.
Trails for foot traffic only.
Please stay on marked trails.

Directions:

From Hendersonville

Take I-26 East, Exit at 'Saluda 176' (exit 59). Turn right on Ozone Drive. Go approximately 1 mile. Turn left on HWY 176. Continue on 176 to parking area/trail head on the left side of the road, near Valhalla, just past Tau Rock Vineyard Road.

From Spartanburg

Take I-26 West, Exit at 'Tryon Columbus' (exit 67). Turn right into traffic circle. Continue across the bridge & exit right, Out of the circle, onto HWY 108, toward Tryon, then take HWY 176 west toward Saluda to the parking area/trail head on the right, just past Riverview Road.

Take only photographs

Leave only footprints
